

Have you ever paid attention to **where** people decide to sit in a meeting room? Seating arrangements are usually left up to chance, but where meeting participants **sit** can actually influence meeting productivity and overall effectiveness.

The Meeting Place has eight (8) tables and forty (40) folding chairs available to use and offers 4-8-12-24 hour rentals. Prior to your meeting or event, please let Anne Johnson know which style you would like and she will have the room ready when your group arrives. Here are some examples — ideas are appreciated!

We look forward to hosting your meeting, event or special celebration at The Meeting Place! Call 712-282-4426 for more information and rates.
